

To all my Family and Friends I am here today to accept an award for doing the right thing. Back in November as you all know I sold a lot of pies and hams to win a complete meal from Cracker Barrel. I wanted to win so I could feed the homeless and people in need on Thanksgiving. I want to thank mostly my mom and dad and all of my family and friends for supporting me to be able to accomplish this goal I had. I want to also thank Miss Tracy Moore for nominating me. I was not planning on speaking today but I said to myself this past weekend that I needed to write a letter and tell you a short story. I watched a movie several years ago with my family and it was called Pay it Forward. To this day It is still one of my favorite movies because I believe in paying it forward. And with that said a tragedy occurred on Friday January 12th at appr 3:00PM a Sergeant with the Florida Highway Patrol was doing his job by pulling over a man that was driving badly. That bad man took the life of Sgt Sottile that day, That bad man took away a husband a father and friends to so many, so at this moment I would like to pay it Forward and present this award to the family of Sgt Sottile for Doing his job and Doing the right thing. I think all Law enforcement officers should be the ones receiving the Do the Right Thing Award for the job they do every Day. So at this time I would like my friends from the Florida Highway Patrol to Come up here and accept this award and please present this to the Sottile family on my behalf. Thank you
